

## 1. General Information

- **Address:**

Jeppiaar Nagar, Rajiv Gandhi Salai, Chennai - 600 119, Tamil Nadu, India

- **Contact Information:**

- **Phone:** 044 - 2450 3810
- **Fax:** 044 - 2450 2344
- **Email:** [jhonbruce@sathyabama.ac.in](mailto:jhonbruce@sathyabama.ac.in)
- 

- **Working Hours:**

Specific working hours are not mentioned on the official website. It is advisable to contact the university directly for accurate information.

- **Campus Tours:**

For information regarding campus tours, it's recommended to contact the university administration directly using the provided contact details.

## 2. Admissions and Courses

- **Undergraduate Courses Offered:**

Sathyabama University offers various undergraduate programs, including:

- **B.E.** in Computer Science and Engineering
- **B.E.** in Electrical and Electronics Engineering
- **B.E.** in Electronics and Communication Engineering
- **B.E.** in Mechanical Engineering
- **B.Tech** in Information Technology
- **B.Arch** (Bachelor of Architecture)
- **B.Des** (Bachelor of Design)
- **B.Sc.** in various specializations
- **B.Com** (Bachelor of Commerce)
- **BBA** (Bachelor of Business Administration)

- For a comprehensive list, please visit the university's [Undergraduate Programmes page](#).

- **Entrance Exam for Admission:**

Yes, admissions to undergraduate programs are based on the **Sathyabama All India Engineering Entrance Examination (SAEEE)**.

- **Eligibility for B.Tech in Computer Science:**

Candidates must have passed the 10+2 level examination with Mathematics, Physics, and any one of the following subjects: Chemistry, Computer Science, Electronics, Information Technology, Biology, Informatics Practices, Biotechnology, Technical Vocational subject, Agriculture, Engineering Graphics, Business Studies, or Entrepreneurship, securing a minimum of 50% aggregate in these subjects (45% for reserved category students).

- **Admission Process Start Date:**

Admissions typically commence in **January** each year. Prospective students should refer to the official website for specific dates and updates.

- **Applying for a Course Online:**

Candidates can apply online through the university's [admissions portal](#) by filling out the application form and paying the application fee.

### 3. Fees and Scholarships

- **Fee Structure for Engineering Courses:**

The annual tuition fee for B.E./B.Tech programs is approximately **₹1,70,000**. Additional fees may apply for hostel accommodation and other amenities.

- **Scholarships Available:**

Yes, scholarships are offered to meritorious students based on their academic performance. Details about the scholarship amounts and eligibility criteria can be obtained from the university's admissions office.

- **Applying for a Scholarship:**

Eligible students are typically considered for scholarships based on their entrance exam scores and academic records. For specific application procedures, contact the admissions office.

- **Fee Waiver for Economically Weaker Sections:**

Information regarding fee waivers for economically weaker sections is not explicitly mentioned. Prospective students should inquire directly with the admissions office for such provisions.

#### **4. Academics**

- **Faculty Members in the CSE Department:**

Detailed information about the faculty members in the Computer Science and Engineering department is available on the university's official website.

- **Credits Required to Complete a Degree:**

The total number of credits required varies by program. For B.E./B.Tech programs, students typically need to complete around **180 to 190 credits** over four years.

- **Internship Opportunities Available:**

The university has collaborations with various industries, providing students with ample internship opportunities to gain practical experience.

#### **5. Facilities and Campus Life**

- **Hostel Facilities:**

The university provides well-furnished hostel accommodations with amenities such as Wi-Fi, study rooms, and recreational facilities.

- **Separate Hostels for Girls and Boys:**

Yes, there are separate hostels for male and female students, ensuring safety and privacy.
